

Lesson 11 Supplementary Materials

[Comparable Tutorial](http://docs.oracle.com/javase/tutorial/collections/interfaces/order.html)

<http://docs.oracle.com/javase/tutorial/collections/interfaces/order.html>

If you'd like to find out more about the Comparable interface, this tutorial from Oracle explains it in more detail and gives examples of its use.

[Tutorial on Using Tabs](http://docs.oracle.com/javase/tutorial/uiswing/components/tabbedpane.html)

<http://docs.oracle.com/javase/tutorial/uiswing/components/tabbedpane.html>

For more about using tabs in a Java window, you can look at this tutorial. It includes topics like adding icons to tabs, changing tab colors, and so on.
