

Lesson 11 Assignment

I'd like you to either draw your own simple image (like my kindergarten art in Chapter 4) or embellish my art. I've had students add trees, birds, clouds, sidewalks, driveways, smoking chimneys, and cars to my image—but not all of those at once! So let your imagination run wild, and let me see some of your art. You can post your code in the Discussion Area, and I'll run it to see what you've drawn.
