

# Lesson 3 Supplementary Materials

## [Java Input/Output Tutorial](http://docs.oracle.com/javase/tutorial/essential/io/index.html)

<http://docs.oracle.com/javase/tutorial/essential/io/index.html>

This is Oracle's Java tutorial on input and output, including file I/O.

---

## [UPenn Java I/O Tutorial](http://www.seas.upenn.edu/~cis1xx/resources/java/fileIO/introToFileIO.html)

<http://www.seas.upenn.edu/~cis1xx/resources/java/fileIO/introToFileIO.html>

Here's a good, short tutorial from the University of Pennsylvania's Computer and Information Science program.
